## BOTTLED WINES

"Wine makes every meal an occasion, every table more elegant, every day more civilized."  
— André Simon

New age techniques, with old world styles in French oak barriques. Some light, some bold, some young, and some old. We have carefully curated and sourced wines from our own backyard, our neighbours and from foreign lands. We've put in the hard yards tasting these wines, so that you'll have the pleasure of drinking them.
